

WELCOME TO THE 2018 SEASON!

After a fantastic year of growth in 2017 we are hoping to continue to field a wide range of teams this year. Registration will be open for all potential age groups. Based on registration numbers, final team announcements will be made in early March. If we are unable to field teams in all age groups we may need to combine teams. We will find a place for all players interested and we encourage new players to join us!

Discounted early bird registration from 26th Jan to 26th Feb 2018. Registrations are open until 1st June 2018.
