

# WELCOME TO THE 2019 SEASON!

In 2019 we hope to continue to field a wide range of junior and senior teams and continue from our successful 2018 season. Registration will be open for all potential age groups. Based on registration numbers, final team announcements will be made in early March. If we are unable to field teams in all age groups we may need to combine teams. We will endeavour to find a place for all players and we encourage new players to join us!
